# We've come so far...

and we have something for everyone!

**W**arm greetings from Mayor Don. Whether you're visiting here for business, a vacation, or have lived in the area for years, we welcome you and hope you find your visit to DeWitt friendly and enjoyable.

Visit our neighborhoods and stroll our streets. Browse through the shops and take advantage of the wide variety of dining. We have something for everyone. Choose from a combination of

gift stores, antique stores, clothing, and traditional shops. During our summer months, a wide variety of fresh produce can be found at the Farmer's Market.

As for recreation, DeWitt offers an array of options. There are a multitude of beautiful parks, a golf course, a walking path, and an aquatic center, which includes a zero-entry pool and water slides. A yearly wine walk, a 4th of July parade – largest in the area – and an annual triathlon for adults and kids take

place each summer. In fall the DeWitt Chamber & Development Company hosts Autumn Fest. We recently held a “welcome home” for all graduating classes. Every December we feature a winter carnival with a downtown window walk and a lighted pickup parade.

For a community of our size we are blessed to have a well-staffed community hospital. We recently broke ground on the Fieldstone project, a joint not-for-profit that will redefine senior living opportunities with a proposed \$30 million community in DeWitt. It will feature nearly 100 residences, including assisted living, memory support, short-term rehabilitation, and long-term care. The 2012 Central DeWitt school addition, as well as the 2019 DeWitt Community Library expansion, nearly tripling size of the library, are defining examples of a progressive community.

Our safe neighborhoods, with the friendliest and most caring people, will provide many pleasant surprises for you.

Whether you're looking for a place to visit, live, or build a business, know that you are welcome in DeWitt!

Warm welcome,

Situated in DeWitt's Lincoln Park, the Hausbarn is home to the DeWitt Chamber & Development Company and a German Hausbarn museum. The building originates from Schleswig-Holstein, Germany, and was built in 1727.

In 2007, the building was dismantled and brought to DeWitt where it was reassembled in the 2008 with the help of many community volunteers. Tours are available 9 a.m. to 4 p.m. Monday through Friday and by appointment on the weekend or after hours.

## John Bloom

This DeWitt native was a renowned artist who painted, sketched, carved, and did creative lithographs in the Regionalist style. Bloom participated in Grant Wood's Stone City Art Colony of 1932-33, where he worked alongside his mentor.

Several of Bloom's original works are on display throughout the DeWitt community. "Shucking Corn," a mural painted in 1937-38, is in city hall. In "After Church," from 1934, Bloom depicts himself leaving St. Joseph Catholic Church as a young man. It is in the entryway of St. Joseph's.

Bloom's sketches, paintings, and sculptures are on display in the DeWitt Operahouse Theatre lobby and a section is dedicated to Bloom within the historical society as well. Two bronze statues created from scenes from Bloom's "Shucking Corn" mural are on the north and south ends of DeWitt's downtown district on 6th Avenue. We invite you to discover Bloom's artwork throughout our community.

Student opportunities are impressive and evident with the combination of exemplary teachers delivering high-quality instruction throughout the district, and technology integration in the classroom, as well as 1:1 computers for all district students. Many clubs and programs are available to students, including Future Farmers of America, Future Business Leaders of America, robotics, band, sports, performing arts, and much more. ## St. Joseph Catholic School: Putting "faith in education"

St. Joseph Catholic School, one of the oldest schools in eastern Iowa, has educated students in DeWitt and the surrounding communities for more than 155 years. St. Joseph Catholic School proudly puts "faith in education."

Accredited by the State of Iowa, there is one classroom for each preschool through eighth grade with an average of 18 students per class. Full-time classroom aides are present in both the preschool and kindergarten rooms.

The Iowa Core standards are taught through a rigorous curriculum, and homework is a classroom expectation in all grades. In addition to religion and the core subjects, students are taught music, art, and physical education. Opportunities exist for students to participate in reading and math support, a gifted program, and band. School-sponsored sports begin in sixth grade. The school also offers a robotics club for students in grades fifth through eighth.

While the Catholic faith is part of school life, students of all faiths are welcomed. Students, teachers, and staff start the day with an all-school prayer and say prayers throughout the day. All students participate in weekly school Masses and help with Mass ministries. They also participate in other service-related activities. Sending notes to homebound parishioners, raising money to package meals for Kids Against Hunger, and our annual food drive for the DeWitt Referral Center are favorite school traditions.

Technology also is a vital part of school life. Each student in preschool through eighth grade has either a Chromebook or an iPad. In addition to traditional forms of communication with families, students have either SeeSaw or Google Classroom accounts.

Thanks to the support of our parish community, St. Joseph

Catholic School can boast having one of the lowest tuition costs in the Diocese of Davenport. Tuition assistance is available.

"Students deserve the best possible future, and for that they need a solid foundation in the basics, the ability to adapt to an ever-changing world, and positive role models who are living examples of their faith. We provide for that at St. Joseph Catholic School." – A St. Joseph School teacher

CROSSROADS OF OPPORTUNITY

## City of DeWitt

The City of DeWitt embodies the spirit of progress and a "can-do" attitude of residents and public servants who believe in investing in the community's future. Those efforts have yielded state-of-the-art schools, a new library, a senior living community, and many more amenities that – along with a strong employment base and thriving industrial park – enhance the quality of life here.

## Community Library

The DeWitt Community Library features a children's discovery space, Teen Zone, 12 public computers, flexible public meeting spaces, a tech-focused/tech-friendly philosophy and much more. Thanks to community support, this newly expanded \$5.7 million building continues a more than 120-year commitment to provide citizens with a place that supports life-long learning for all and a place to DISCOVER, CONNECT, IMAGINE.

## Police Department

Community service is a cornerstone of the DeWitt Police Department's mission. Whether officers are assisting people in need, working to keep residents safe or helping children develop and thrive, they deliver professional, courteous service. Through their words and actions, they are committed to ensuring that all people are treated fairly, impartially and with concern and compassion.

## Parks & Recreation

Beautiful parks and trails, a fitness center, community center and outdoor family aquatic center – DeWitt Parks & Recreation offers something for everyone to build strong minds, body and community. As our city continues to grow, so do our recreation programs and community activities, providing high-quality public services to keep residents and visitors healthy, happy and connected.

An innovative senior living complex is adding a new dimension to the community. Fieldstone of DeWitt is managed by WellSpire Westwing Place, a partnership between Genesis Health Systems and Wesley Life. The 95,000-square-foot facility (slated to open in 2022) is located on Maynard Way between Kamper Korner and Kids' Business. Featuring a home-like environment, Fieldstone's multiple wings, or "households," can each house about 18 people. The households will provide varied levels of care, including memory support. The structure also features community spaces where residents and visitors can mingle, and meeting rooms where outside organizations, such as service groups, can meet.

Another option for compassionate care is Maggie's House Assisted Living. The small and intimate facility is designed for senior adults who wish to maintain their independence but may require assistance with daily activities or simply want the comfort of knowing someone is available 24-hours a day.

Kindness and caring are hallmarks of the DeWitt community, and that can be seen through the support of social services that contribute to the overall wellbeing of friends and neighbors. The DeWitt Referral Center partners with churches and other community organizations to provide food, emergency assistance, referral services, crisis assistance, and a thrift shop. Life Connections Peer Recovery Service supports individuals who are experiencing mental health and substance addiction issues.

DeWitt Delivers all the services a community needs to stay happy and healthy.

WellSpire Westwing Place was voted "Best Work Place" in 2021 during the DeWitt Chamber and Development Company's Member Choice Awards.

# Thank You!

The Referral Center would like to extend a giant thank you to our entire community! From crisis assistance and our food pantry to school supplies and clothes, we would not be able to offer these services without the ongoing support. In 2020, we were able to help our citizens by assisting 8,707 people with our food pantry, provide 239 Thanksgiving dinners, give 171 students school supplies, as well as provide assistance with school milk, summer lunch boxes, holiday gifts and food boxes, shoes, clothing items, winter coats/hats/gloves/snow pants, baby items, toiletries, cleaning supplies, household items, assistance with rent and housing, lodging, utility bills, gas, medical expenses, as well as assistance for special needs.

We are grateful for the pledges, donations, and fundraising events that have not only brought awareness to supporting our mission and services, but also our own needs supporting us in constructing a new building! To have the community come together to assist with a new building for all our services, as well as continue to support our mission is incredible! We are stronger together and are excited our new building will help support this community for many years.

Executive Director Michelle Ehlinger poses with a fundraising thermometer that shows the community's support for center's capital campaign.

for industrial use. It is a key piece of DeWitt's focus on sustaining a thriving manufacturing community to provide employment and strengthen the local economy. The nearly 1,000 people who work in the industrial park buy goods and services, rent homes, and enjoy recreational amenities in DeWitt.

In DeWitt, you can find all the essential services to support and assist your business or personal needs. From banking and communication to pet care and property maintenance, more than 50 service providers are conveniently located and ready to give you the individualized care that is a hallmark of the community.

High-speed fiber optic internet access and other broadband options are available through numerous local providers to everyone in the community. Long-established banks have a history of investing in our community through excellent customer service, economic development efforts, and support of community projects.

Your information technology and printing needs also can be handled by a local vendor. The list of services available in the community is long and varied: pest control, auto body work, monuments, electric work, utilities, windows, lawn care and landscaping, air duct cleaning, dry cleaning, and pet grooming and boarding are among them.

You can be assured that the people behind these businesses go the extra mile, know you by name, and are committed to helping you.

Agriculture has a substantial impact on our local economy. Within Clinton County, more than 339,497 (NASS 2020) acres of land are planted each year to produce such crops as corn, soybeans, hay, and other goods. These crops are sold to a diverse, and in some cases, global marketplace that includes river terminals that receive

grain destined for export channels and large processors (such as ADM in nearby Clinton) that make a diverse portfolio of products that are sold globally and to local feed mills. These local feed mills support a livestock industry within our county that includes both cattle and hog feeders as well as dairy herds. A local meat process-

Our agriculture industry within Clinton County is supported by strong local advocacy groups such as County Farm Bureau, County Pork Producers, County Cattlemen Association and a multi-County Dairy Association. Our county fair, held annually in DeWitt in July, is a vibrant display of many of these groups, industries and Clinton County's long-standing agriculture heritage.

DeWitt is included in the Quad City Area Laborshed of 743,000+ people. As a rural community of 5,300, it is expected

that many DeWitt residents work outside our community. Unusual to a rural community is the fact that more employees commute into DeWitt for work than those who commute out, with more than 3,000 people working here. This fact illustrates that employment opportunities and employees are available in DeWitt.

## Location & Transportation

**D**eWitt is centrally located in eastern Iowa to connect you or your business to many transportation networks. Whether you need access to major interstates, four-lane highways, commercial air service, barge terminals, and/or rail service, DeWitt is within minutes of each network and can provide easy access to major Midwestern cities and global markets.

### Ground

DeWitt lies at the crossroads of four-lane, transnational Highways 61 and 30. Located just 15 minutes north of the Quad Cities and 20 minutes east of Clinton, DeWitt is within 15 minutes of Interstate 80 and minutes from other major interstates and highways. DeWitt is a mere 2.5 hours from Chicago and Des Moines, and within just two to four hours more of such major cities as Minneapolis, St. Louis, Omaha, Kansas City and Milwaukee.

### The Crossroads

This historic crossing of two original transnational highways is found at the

intersection of 10th Street and Sixth Avenue, bypassing Lincoln Park in the center of DeWitt. At this intersection, the Lincoln Highway (later Highway 30) and Highway 61 (historically known as the Blues Highway) cross. The notable crossing is marked at this intersection with a crossroads emblem on the roadway, along with a placard that can be found alongside the street in Lincoln Park, at the base of a water tower.

### Air

The Quad City International Airport in Moline, Illinois, is about 40 minutes from DeWitt. The airport offers dozens of daily departures with flights on four major airlines with nonstop service to 10 major hubs. Connections to hundreds of domestic and international destinations also are available. It is a U.S. Customs Port of Entry and Foreign Trade Zone 133. DeWitt also is served by seven general aviation airports, including the Clinton Municipal Airport, which is 10 minutes east of DeWitt, and the Davenport Municipal Airport, located 12

minutes south of DeWitt.

### Water

Just 30 minutes from DeWitt, the Mississippi River runs through the Quad Cities and Clinton regions and has a minimum 9-foot channel and 10-month navigation season. DeWitt has access to 46 barge terminals, all with direct highway access and three with rail access.

### Rail

The Union Pacific Railroad serves the Crossroads Business Park on the south edge of the city. The Lincolnway Railroad, located 10 minutes from DeWitt, provides direct mainline access to Union Pacific Rail from a 1,000-acre Certified Industrial Park. Just 20 minutes away, the Quad Cities region is served by four major freight railroads: Burlington Northern Santa Fe Railway (Class I); Iowa Interstate Railroad (Class II); Dakota, Minnesota & Eastern Railroad, owned by CP Rail (Class I); and Union Pacific.

# DeWitt: Then & Now

## A rich history

DeWitt, Iowa, was founded in 1836 by settlers from the eastern states. DeWitt was named after DeWitt Clinton, the governor of New York from 1817 to 1822. In 1840, a second courthouse was built in DeWitt for Clinton County. DeWitt was the county seat from 1841 to 1869. In 1856, the Chicago, Iowa & Nebraska railroad (now known as the Union Pacific) came to DeWitt. By the 1870s, DeWitt was a thriving, self-sustaining community with numerous hotels, markets, and a variety of shops and services. DeWitt has had a few firsts for the state of Iowa. The first baseball team, the Hawks, was organized in DeWitt in 1860. The first Spear Water Tower was built in 1957. Other interesting historical facts about DeWitt include: The first school was built in 1867 and cost \$25,000 to construct. The Operahouse Theater was built in 1878. The DeWitt Fire Department was organized in 1879. In 1881, the County Fair started as an annual event. In 1952, the hospital in DeWitt opened. DeWitt's past has helped to form a progressive community moving into the future.

## Current growth

At a time when less than 10 percent of the U.S. population

lives in true rural areas and when many of those rural places throughout our nation are shrinking and disappearing, DeWitt continues to add residents, businesses, and employment opportunities. Because of the cooperation and hard work of the city, the school district, the elected officials, and, most importantly, the commitment and efforts of residents, businesses, and community volunteers, DeWitt has been able to build outstanding recreational, cultural, health, and educational facilities; successfully promote the creation of new jobs and relocation of major employers to the city; and create a cooperative spirit where residents take the lead to promote the betterment of the community.

In the background, the city efficiently provides top-notch public services with a well-trained volunteer fire department, a CALEA-accredited police department, the most widely used library in the county, a parks and recreation department that provides extensive youth and adult programs, and a public works crew that takes great pride in maintaining the public infrastructure. From public safety team members to elected city officials, DeWitt's civil servants strive to deliver a clean and safe community.

With its small-town values and with opportunities for all ages, DeWitt welcomes you home.

We often use the line, "A House For the Broken, A Home For the Healed." We understand that every single one of us live in the same world, with the same reality. Sin, and all its effects weigh on us. We all experience hurts and pains, whether they are self inflicted or caused by others. However, we also know that the work of Jesus is more than able to heal us. We come to ERC to hear a message of reconciliation, forgiveness and love. We would love it if you were to come for a visit, and stay a little longer!

Look at this kid's face because this is the goal! God is interesting! God isn't boring! We place a huge emphasis on all of our student ministries so that children will want to come to church and not want to leave. Join us for Kid's Club, Children's Church, Four:56.

This is The FOUNDRY! A place where God's Word is taught, students are encouraged and grace is preached. We meet weekly, do weekend retreats, week long camps and mission trips.

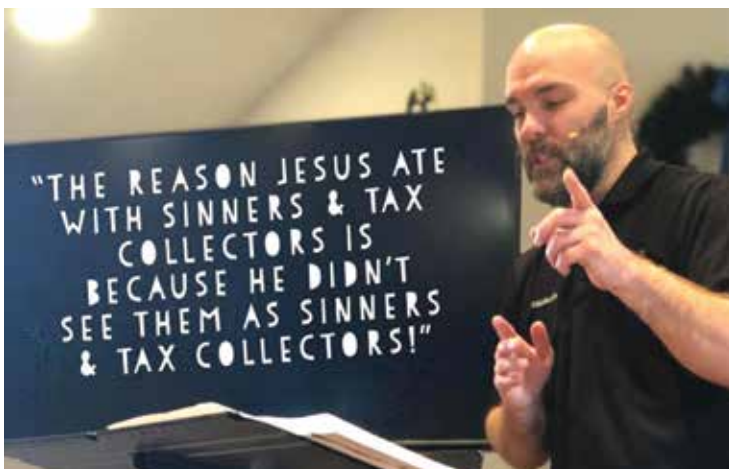

# House for the broken... home for the healed!

In this picture you see a building. We hope you will see a place where people come for healing, hope, love and community. We hope you see a place where broken people can go to escape judgment and find God's great love for you which has been lavished on us through the life, death and resurrection of Jesus Christ.

At ERC we strive to be part of the community that we are called to live in. This picture is our volunteer team that worked on Home Town Christmas. HTC is a community event that the DCDC leads and that we team up with!

Pastor Brandon proclaiming God's love for His people. How God views us is better than how we view others and ourselves.
