Award-Winning, Reliable Options

When it comes to healthcare, DeWitt exceeds the standard. Home to one of the nation's "Top 20 Hospitals for Quality of Care," out of nearly 1,300 critical access hospitals nationwide, Genesis Medical Center - DeWitt is an award winning example of best practices in delivering high quality and compassionate care. Patients have more convenience and less travel with a combination of cutting edge equipment, elite specialists, and outstanding in-patient, out-patient and emergency care.

clinics for your four-legged or winged friends' healthcare.

In certain cases, when a surgery or specialized procedure is not offered locally, healthcare professionals easily guide clients to trusted associations to ensure the best care. DeWitt Eye Care provides this for eye surgery patients. DeWitt Dental Associates coordinates specialized surgeries for their clients. And DeWitt Family Health Clinic and Genesis Health Group match mothers-to-be with top area birthing centers. All are committed to providing top notch care and services locally and to refer the care to others when it best meets the needs of the patient.

Preventative health care is important and made possible because of places like the DeWitt Fitness Center, Snap Fitness, Stress Solutions Unlimited and Natural Elements Massage Therapy. Maintaining optimal health through nutrition, physical activity and stress reduction are top priorities at these prominent centers.

Even when your health is changing, the dependability of healthcare in DeWitt remains strong. Providing you with award-winning facilities, passionate experts in their field and reliable healthcare options – this is how **DeWitt Delivers Healthcare.**
